CELEBRATING OUR
CENTENARY

EVENTS FOR THIS YEAR

2024 is our Centenary year and we are delighted to be celebrating this milestone across the School community.

A hundred years is a long time, and the Hampton Pre-Prep & Prep of 2024 is very different to the school which had its humble beginnings in the dining room of 41 Wensleydale Road, known as Denmead School at the time. While the School has evolved, I am proud that it remains true to its ethos and values and that our pupils are mindful not only of themselves but most importantly of others.

We have a full and varied calendar of exciting events to mark this milestone from January to December 2024.

These events aim to bring our School community together and in so doing, celebrate all that makes Hampton Pre-Prep & Prep the very happy and purposeful place we know it to be.

A number of the events that already take place in our busy School calendar will continue under the Centenary banner, which we hope will add a special resonance to them for both pupils and parents. We also have a number of additional events planned, which will be unique to our Centenary year.
